As with any money-making opportunity, there's some fine print to be aware of. The first thing you should know is that you can only make one referral per device. This means you can only refer one person per device, so you can't share your code with a bunch of people. The second thing to remember is that you'll only get paid from the Cash App Money Generator once someone has created an account using your referral code. If someone tries to download the app but then deletes it without creating an account, you won't get paid. So make sure you remind your friends to enter your code when they download the app. Lastly, make sure you read the terms and conditions before you start referring people to the app. It's important to know what you're getting yourself into and what your obligations are.

As soon as you open the application, it will show you that you will earn \$75 after completion of each task and the money will be transferred on your Cash App once you have earned \$150 or more . The app asks users to install the application and once the apps are installed and used, the user receives \$150 on their Cash App in a short duration.
